

## PRODUCT OVERVIEW

- Smooth feel thanks to 17 lbs. flywheel
- Foot pedals designed by physical therapists
- Incredible lower body workout
- Compact design perfect for any room
- Bright 7.5" LCD display
- Bluetooth speaker
- Bluetooth heart rate monitor

The SC200 combines the workout of both an elliptical trainer and a stepper machine. The up and down motion provides a high intensity workout, helping burn calories faster than some other fitness machines while the compact design is suited for small spaces, allowing users to set up the SC200 almost anywhere in the home.

**SC200**
